## A MESSAGE FROM OUR LION PRESIDENT JAMES GODDEN

My choice of recipient for the money raised by the sales of this year's Quiz Sheet are the local Community First Responders. They too are volunteers and give up their time freely to help their local community, just like the 1.4million Lions around the world.

Community First Responders attend 5 days of training and assessments before responding to local emergencies in the community. They respond to calls in their local crew area in their own cars and provide basic care until the arrival of an emergency ambulance crew. The calls that Community First Responders attend are cardiac arrests, seizures, diabetic emergencies, chest pains, breathing problems and unconscious patients. These volunteer men and women give up their time freely to serve their local community (sounds like another bunch of people we know). They are very often the first person in the door or on the scene of an accident or when someone is ill, it is called the golden hour- the first hour of any emergency. The treatment that takes place in this time often affects the outcome of the whole emergency. They also teach CPR and AED awareness to members of the public.

I would like to thank you for buying our Quiz Sheet this year and helping us support them. After all - none of us know when we may need them.
