## A MESSAGE FROM CLACTON LIONS

As our country has remained in the throes of the Covid-19 pandemic for the past 15 months, we have not been able to run our usual Quiz Sheet campaign. However, we attempted this Quiz Sheet relying on the internet and social media to create sales and we raised a total of £441.10.

We are very grateful to all who submitted an answer sheet along with a donation and we would thank you for your generosity.

Our fund-raising since March 2020 has been seriously curtailed as has the assistance we have been able to provide to our local community as a result. However, we continue to help out where we can for specific projects.

Since the start of the first lockdown, we have helped the five local foodbanks at least once during the past twelve months; replaced a defibrillator which had mysteriously disappeared and provided substantial funds towards Christmas lunches being provided by the Veteran's Breakfast Club amongst other donations totalling more than £8,000. Our service has continued as best as the restrictions allowed clocking up almost 3,400 hours of service to our Community.

Once again our thanks to you for buying our Quiz Sheet this year and helping us raise funds to help those in need in the Tendring District. If you gave us your e-mail address you will receive an e-mail shortly stating that you have been added to our mailing list and hopefully the next thing you will hear will be news of the next Quiz Sheet which is provisionally planned for release on 1st January 2022.
